

# TRAFFIC OFFENCES ROADMAP

You've been charged with a traffic offence, and you've been given a Court date

You contact us, and have an appointment with one of our criminal lawyers

We attend a Court appearance in the Magistrates Court

If eligible, this is when you will apply to the Court for a work license.

## PLEADING GUILTY

You're sentenced, and your matter is finalized. You may lose your license for a period of time, depending on the type of traffic offence.

## PLEADING NOT GUILTY

Your matter will be listed for a summary hearing on a date in the future. You should always seek legal advice if you wish to plead not guilty, so you can be aware of your rights and obligations.
